

SSI Milwaukee County Advisory Committee *Quality Assurance Workgroup*

Wednesday, September 8, 2004
9:45 a.m. to 12:15 p.m.

Below is the agenda for the Outcomes Subcommittee of the SSI Milwaukee County Managed Care Advising Committee, which will meet on Wednesday, September 8, 2004 from 9:45 a.m. to 12:00 p.m. as part of the larger committee. As will be explained at the meeting, although our overall charge is to develop quality measures for the SSI Managed Care expansion, our first immediate concern is to ensure that the contract which will be adapted for this program permits the quality measurements we envision. Our primary task on the 8th is to make suggestions for this contract. So, please read the attached and come armed with your questions and suggestions.
